it has come to my attention that some people  
h a v e  
viewed the recent issues of Asshole as offensive or  
stupid. some have even gone as far as to beg me to  
stop printing it. Asshole weekly has been around  
f o r  
three years now and is a very important medium  
i n  
the weekly orientation. So many bad zines have  
flooded the industry that it is hard to tell  
w h e n s o m e  
are serious and some are joking. Asshole pokes a  
s t i c k  
in the eye of all of this habardashery and says it's  
ok to hate everything. if you're still confused as to  
wether or not Asshole is a joke, it's ok, you're just  
k i n d o f s t u p i d .
